

PALS Skills Session Orientation

Thank you for registering for our upcoming PALS Skills testing session. Please take a few moments to read this document in its entirety as it contains important information about the class.

This class is only for students who have completed the online Heartcode PALS course through the AHA. If you have not yet purchased or completed the online course you can do so through the American Heart Association website at <https://elearning.heart.org>.

Online Completion Certificate

The American Heart Association requires that a copy of your online course completion certificate be presented to the instructor when you arrive to complete the skills testing. **Students who do not bring their completion certificate will not be admitted and will not be eligible for a refund of class fees.**

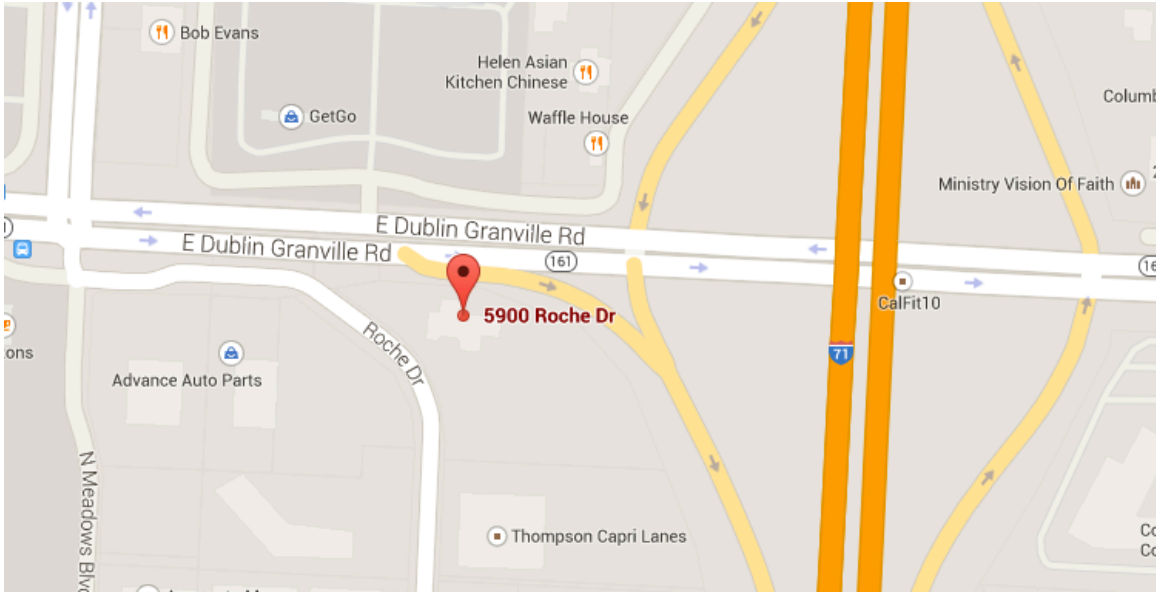

Class Location

This class is being held in our classroom on the north end of Columbus. We are located at the west side of the intersection of I-71 and Route 161 (East Dublin-Granville Road). Our building is the large brown brick office building directly across the street from the Waffle House.

***** IMPORTANT *****

Our building entrance is locked on Sundays. To access the building for a Sunday class, look for the keypad to the right of the main door and enter the code 8-4-6-9. The light will turn green and the door will unlock.

The street address is:
5900 Roche Drive Suite 625, Columbus Ohio 43229

Course Completion Cards

The American Heart Association PALS course completion cards will be presented to you at the successful completion of class. Please check the spelling of your name on your registration confirmation and let us know right away if there are any problems with the way your name is displayed.

If you have questions at any time between now and the beginning of class please do not hesitate to contact us. Thank you again for choosing CPR School House. We are looking forward to seeing you in class.
